Cain seeks to rezone land

By CHARLOTTE COOPER

WILMINGTON - Retailers may have to wait a bit longer to utilize the Fred F. Cain Chrysler dealership property. The warrant article necessary to initiate zoning changes for the former dealership was disapproved by the Wilmington Planning Board.

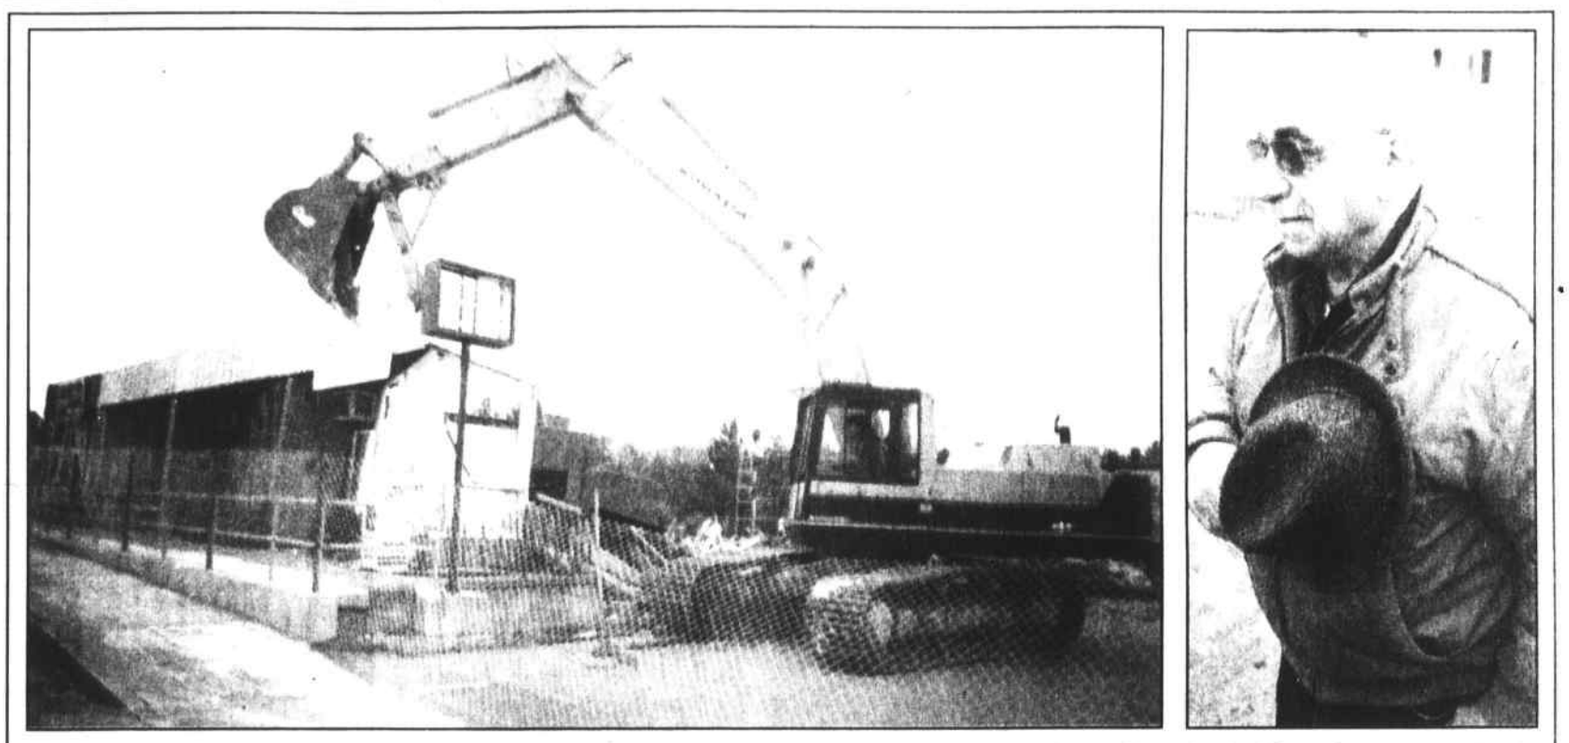

"We're in the very early stages of this entire process and we'd like to create something that would be suitable for the neighborhood," said Louis Minicucci, developer and representative for Fred Cain. The article seeks to rezone a portion of the Cain property from R-20 to Gen. Business.

"We don't have any deal with a retailer as yet," Mr. Minicucci said. Although there's no one in line for an occupancy permit, the owners are hopeful. "It's a site that's most suitable for retail use. And we suspect one or two users at the maximum," he added.

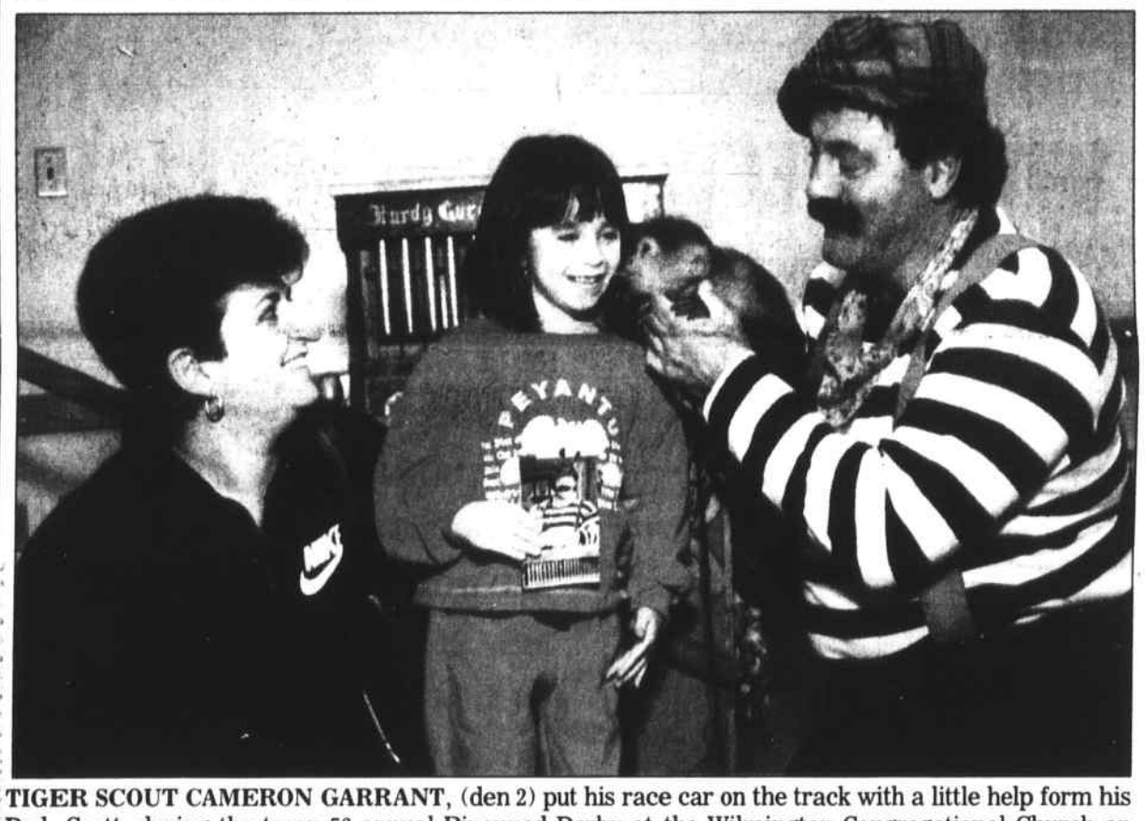

The warrant article is still being presented to the town meeting, the recommendation of the Planning Board does not prevent action by the town meeting.

Mr. Minicucci indicated that they have not approached any retailers with a proposal. He said that the facility would be best suited for corporations like grocery retailers, but that Stop and Shop has not approached him with any proposals. "It could be

WILMINGTON - Making way for "Progress" Heavy equipment came in Monday morning and tore down the buildings between Big Joe's and Wilmington Grain. Rocky Yentile (right), former owner of one of the buildings, held his hat over his heart as his building fell to the giant machine. The MBTA, which took the property by eminent domain, will soon be making preparations for their new parking lot and commuter train station. Four businesses had been in Rocky's building and Action Glass was in the other. (Joe Brown Photo)

ConComm reviews drainage plans

By CHARLOTTE COOPER

WILMINGTON - The new MBTA station project is one step closer to reality. MBTA officials met with the Conservation Commission to review the revised plans, answer any questions and set a site visit date.

A total of nineteen questions raised by the Conservation Commission's hired engineering consultant were discussed. Kristine Wickham, MBTA representative, reviewed each question and detailed their data.

Ms. Wickham indicated that an infiltration drainage system would not be appropriate for the site although a new drainage system would be installed.

"The Department of Environmental Protection's storm water guidelines require pretreatment of storm water with use of an infiltration system," she said. "This is because without pretreatment, the infiltration system will fail in a relatively short period of time." Ms. Wickham said that because the project is located in a groundwater protected district, pretreatment is mandatory.

She said that there is an issue of contamination with the infiltration system. "We went out and took three readings [last year], one in July, one in August and one in December. We evaluated the worst case and best case scenario's to judge," Ms. Wickham said.

She indicated that they also evaluated the use of a detention basin from an infiltration standpoint and found it inapplicable for the site as well. She said that they also evaluated wet ponds, but that didn't provide for ground water recharge.

Town meeting

Warrant offers full plate of issues

By SHAWN P. SULLIVAN

WILMINGTON - This one's an article about articles.

It'll be the first of three, actually. At their meeting on March 13, the Board of Selectmen closed and signed the warrant for the Town Meeting to be held on April 22. The warrant features 57 articles, 21 of which were petitioned.

In three editions between now and April 22nd, the Town Crier will summarize the issues to be addressed at the Town Meeting.

Here is a sneak peak of the first 19 articles that voters will tackle when they meet next month and determine the course that Wilmington will take over the coming year.

• **MONEY MATTERS.** Will funds be set aside to pay the town's unpaid bills from previous years? Will the Town Treasurer be able to seek the Selectmen's approval and borrow money from time to time? How much money can be used to pay the salaries of town officials and department employees? Respectively, Articles 3, 4, and 5 address these routine concerns. Votes cast in favor of Article 18 or against it will determine whether or not the town will be able to use remaining funds from the 2000 budget to cover various operations and expenses at the departmental level.

• **NEW TOYS.** Article 6 of the warrant is pretty much a wish list from the Wilmington Police Department and Department of Public Works. The police department is hoping that Town Meeting voters will approve the purchases of five new cruisers. The DPW is asking residents to allow funds for the purchases of one loader/backhoe and one four-wheel-drive articulating vehicle with an attachable snow blower and rotary mower.

• **MAKE-OVERS.** Residents will vote on whether or not to approve funds for the following proposed face-lifts: the replacement of lights at the High School tennis court with more energy efficient ones (Article 7); the replacement of windows in the stairways at the North and West Intermediate Schools (Article 9); the refinishing and repainting of the gymnasium floors at the High

Accreditation visit

High school hopes to make the grade

By SHAWN P. SULLIVAN

WILMINGTON - To accredit, or not to accredit? That is the question.

Beginning Sunday, March 26, the Wilmington High School will be hosting an Accreditation Visit from the New England Association of Schools and Colleges (NEASC). The visit will conclude on the afternoon of Wednesday, March 29.

The NEASC is an organization comprised of teams of teachers and administrators from other schools throughout New England. The various teams travel to high schools throughout the area and evaluate their curricula, the quality of their teachers, their level of parental and community support, and so on.

The NEASC accredits a school based on their evaluation of it. The maximum accreditation that a high school can receive lasts for ten years. In 1990 the NEASC did grant Wilmington High School a decade of accreditation.

To prepare for next week's NEASC visit, a team of Wilmington school administrators and teachers and parents conducted an 18-month self-examination of their high school.

The 18-month self-evaluation

Two arrested in local break

By FRANK J. AMATO

WILMINGTON - Good old fashion police work led to the arrest of Saugus and South Dennis men, and the recovery of several items stolen in a Park St., Wilmington house break March 2nd

Jeffrey Dunn, 19, Saugus, and Ross Milley, 20, South Dennis, were arrested Tuesday, March 21st. Dunn was arrested at his residence in Saugus, and Milley was arrested in South Dennis. Both men were released on bail after an appearance in Woburn Court.

Saugus police stopped Milley's 1993 Honda Civic at approximately 7 A.M. on the day of the break and noticed tools in the back seat of the vehicle. Saugus police let Milley go and logged the stop with the fact that tools were seen in the car.

Wilmington Police Inspector Thomas Miller was assigned the case and began making calls to his police sources. When he contacted Saugus Police the source remembered the log entry, and shared that information with Miller. Armed with that information, Miller was able to trace the two men and some of the stolen tools to a local pawn shop.

The tools, valued at $3500, included a chop saw, arc welder, nail guns and cordless drills.

Miller was then able to make a positive identification of the tools, and subjects and he was able to obtain arrest warrants for the pair.

Dunn and Milley are due back in court in April.

Lights on, or lights off?

Power contract up for renewal

By SHAWN P. SULLIVAN

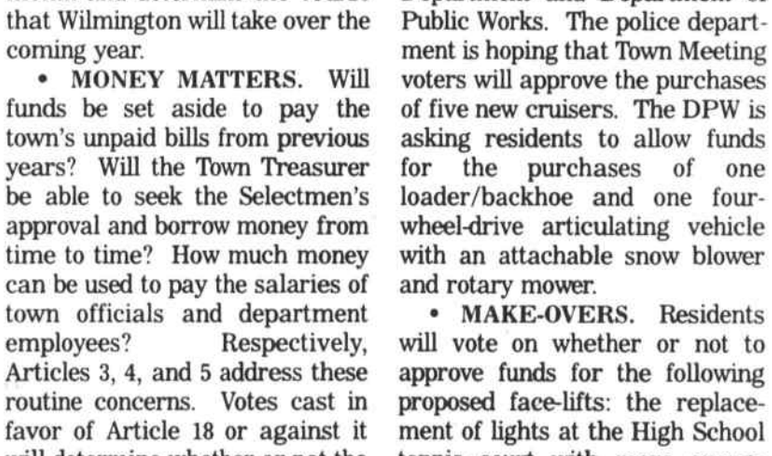

WILMINGTON - At the Town Meeting to be held on April 22, residents will vote whether or not to allow the Board of Selectmen to move forward on their desire to extend the town's twenty-year contract with the Reading Municipal Light Department. The board voted to extend the contract at their February 28th meeting.

The RMLD, which is located at 230 Ash Street in Reading, buys and distributes electricity and maintains and installs wires within the towns that are their clients.

Wilmington has used RMLD as its power source since the board's inception a century ago. In fact, Wilmington is RMLD's largest user in a list of towns that includes Reading, North Reading, and Lynnfield.

Town Manager Michael Caira believes that the Board of Selectmen has made the correct decision in voting to extend the contract.

It's YOUR Money
by Joyce Brisbois

EMPLOYEE PERKS THAT PAY OFF

Many companies offer benefits to attract and keep good employees. The best plans are those that don't cost the company very much.

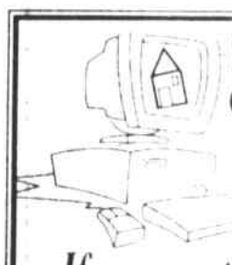

Consider, for instance, cafeteria plans and flexible spending arrangements. Under a cafeteria plan, employees can pick and choose among various options to spend the employee benefit total the company offers. If a worker doesn't need full medical coverage—perhaps a spouse has it—he or she can choose another benefit, perhaps education assistance or dependent-care assistance. The cost is the same, but the employee chooses.

Flexible spending accounts permit the employee to pay for medical expenses not covered by insurance or childcare or other options with pretax dollars. It costs the company nothing more than simple administrative expenses—but the employees benefit.

Other low-cost perks include supper money and cab fare when working late or small gifts for personal events.

We've got good ideas for small-business owners. Talk with us at

The Cops Corner

Officer Scott A. Sencabaugh

Can we find you?

WILMINGTON - Imagine you and your family are sound asleep in your home. It's 2 a.m. and you hear the sound of glass shattering coming from your downstairs. As you spring up out of bed, you hear your back door being unlocked and forced open. Your mind begins to race and you wisely grab the phone next to the bed and dial 911. You tell the dispatcher at the other end of the phone that you believe someone is breaking into your home and you need the police right away. You then tell your address to the dispatcher, and you stay on the line at the dispatcher's request. As you wait with the phone pressed to your ear and your family at your side, you can overhear the police officer calling into the dispatcher asking them to ask you what color and style your home is. You are frantic now, and hear the officer tell the dispatcher there are no numbers on the houses in this section of your neighborhood. Could this happen to you? Is your house numbered properly and clearly?

For the most part, houses are numbered even numbers on the left and odd numbers on the right from streets' point of origin. However, like most rapidly growing towns, Wilmington has many streets that were severed by the construction of new modern roads and highways. Due to economic growth, new houses are being built at an alarming rate. Some of these houses are being built two and three at a time in between existing houses. This poses a very real problem for police and fire/rescue personnel.

Although we have maps and street listings of Wilmington, in order to rapidly locate your house in a medical emergency, fire, or situation described above, you need to be sure that your home is clearly marked with your house number.

According to section 22 of the Town of Wilmington Bylaws, every home shall be numbered in close proximity to the main entrance, so that said number is clearly visible from the curb. If the home is set back more than 50 feet from the curb, the number shall be affixed to a substantial support at the entrance of the property. Those who fail to do so are subject to a $50 fine.

We in public safety suggest that you number both your mailbox and front of your home with large, highly visible numbers. Use colors that are in contrast with the background you are securing the numbers to. For instance if you life at 1034R Community Street in a white house, black letters would be appropriate.

Please take the extra time and few dollars to number your home properly. Check the other houses in your neighborhood and remind your neighbors to do the same. The extra moments you save us could mean all the difference in the world for you and your loved ones.

NEW PRESS BOX- Three long years of planning are finally coming to fruition, thanks to (back l-r) High School Principal Ed Woods, Joe Langone, Bob McNamara, Nevin Moreira, Mark Stewart, Joe Caira, (front l-r) Jim Gillis, Geraldine O'Donnell, Roger Lessard, Roger Bourgeois and Andrew Kuchinsky. Letters To The Editor

The Supreme Court chose to ignore the right of all human beings

Dear Editor:

Abortion is unconstitutional.

The 1973 Supreme Court case Row v. Wade produced bad federal law that I believe is unconstitutional and beyond the powers of the judicial branch of the United States. The Supreme Court has no business legislating or creating law where none existed and the decision in Row v. Wade created law that had no precedent in constitutional judication.

The Declaration of Independence, the founding document of this great republic, states emphatically that "all men - are endowed by their creator with life, liberty and pursuit of happiness." We understand this to mean that all people, men and women, have these fundamental rights as enumerated by God. Why is it then, that the Supreme Court chose to ignore the right of all human beings to "life" while recognizing abortion as a protected "liberty?" Even Abraham Lincoln said in 1854 that when a "man governs himself that is self government, but when he also governs another man, that is despotism." When a woman governs herself that is independence, but when anyone decides the fate of an unborn child, that is despotism.

The existence of excessive and repetitive abortions is an abhorrent part of our culture. It's as bad as other horrible events in American history, such as antebellum slavery and the genocide of millions of Native Americans. The decision made in Roe v. Wade was as wrong and unconstitutional as the Dred Scott case in 1857, where the Supreme Court held that a black man was "property" and had "no rights that a white man was bound to respect." In Roe V. Wade, since the court could not "resolve the difficult question of when life begins," they found that it was within a persons "liberty" protected by the 14th Amendment to end another human life, while in the same breath refusing to protect the "life" of an unborn child.

I believe the Supreme Court decision made in Roe v. Wade was unconstitutional and must be overturned.

Sincerely,
Kevin Comtois

Amy would have celebrated her 21st birthday on St. Patrick's Day.

Dear Editor:

As St. Patrick's day passed and we get ready for Easter, I would appreciate it if everyone remembers my niece Brandy "Amy" Sullivan. As some of you may remember, my niece was found murdered on Ballardvale Street three years ago; she would have celebrated her 21st birthday on St. Patrick's Day.

Amy's murder is still unsolved, which means that there is still a killer walking around free, and this greatly worries me. I don't think I can convey the pain our family suffers on a daily basis, not just because we lost Amy but also because there is still no closure for us.

We kept the purple ribbons hanging in remembrance of Amy and will continue to do so until her murder is solved. If you would like to join us in this pledge, please contact Amy's grandmother, Jean DiGiorgio at 851-6232.

Thank you,
Leigh C. Sullivan

Free tax and legal services available

WILMINGTON - Recently the Senior Center has received several calls concerning free legal advice. The Center does have an attorney who comes once a month for legal consultation, Nancy Hogan, but there is another service to mention - the Senior Citizens' Law Project. This program provides legal assistance to eligible seniors at no charge.

Legal assistance includes legal representation, advice, and referral. They are able to make home, hospital, nursing home visits when necessary and can also meet at the senior center, nutrition site and any other community settings.

If you are age 60 or older and live in Wilmington, you may be eligible for this free service. Their office is at 432 Columbia Street, Suite 16, Cambridge MA 02141. You can call their intake line daily from 9 a.m. to 5 p.m. at 1-617-494-1800.

The Free Tax Assistance Program is coming to a close. If there is anyone over the age of 60 still in need of their tax being done, please call the senior center to arrange an appointment for April 4. This program has been a wonderful success, assisting 41 seniors.

On Wednesday, March 29, at 1:30 p.m. the Buzzell Senior Center will be holding a Candidates' Day. This will give the seniors the opportunity to hear what each candidate can offer to the Town of Wilmington.

Citations searching for brass and percussion players

BURLINGTON - The Citations Drum & Bugle Corps hosted an Open House Sunday, March 19 at Memorial School in Burlington. The Citations organization is a performing arts organization that has invited young people, 13 - 18 to learn brass or percussion, music technique, choreography, and dance. The crops is searching for students to fill in the brassline as well as percussion line - specifically two snare players, one tenor, one bass as well as a drum major.

They are celebrating their 35th anniversary with a show entitled "The Year of the Dragon - The Music of Mulan." The Corps spends much of the summer months competing and traveling - this summer's tour will take them to Montreal, Philadelphia, New Jersey and finish up at the Drum Corps International World Championships in Washington, DC.

If you or your child are interested in the experience of a lifetime, call 781-748-8891 or visit their website at www.citations.org

John F. Ryan candidate for re-election Board of Selectmen

TEWKSBURY - John F. Ryan, 12 Louis Road, Tewksbury has announced his candidacy for reelection to the Tewksbury Board of Selectmen. Ryan was formerly employed by the Tewksbury School Department as the Assistant Superintendent of Schools for Business. He left the employ of the School Department in June, 1998 after serving in this position for 31 years. Presently, Ryan is serving as Executive Director of the Massachusetts Association of School Business officials.

In seeking reelection, Ryan's campaign is focusing on his record during the past three years as a member of the Board of Selectmen. Specifically, he cites the following:

*The reopening of the North Street Fire Station

*The change of the Town Meeting by-law to include an executive summary for each article, which explains in common terms the nature of the article.

*The publication and distribution of a town wide newsletter.

*Supported the construction of the South Street Fire Station.

*Supported the Management Study of Town Government.

*Endorsed improvements at the Water Treatment Plant.

*Recommended changes in the evaluation process of the Town Manager

*Supported the funding for additional staff and equipment for the Department of Public Works, resulting in improved services.

*Made recommendation for opening up the budget process to include School Department, Finance Committee and the Financial Offices of the Town.

Ryan's approach to government had always been a straight forward, no-nonsense approach to issues. He subscribes to the notion that the Town must have a vision for the future, always knowing where it is going and how we are going to pay for it.

During his campaign for reelection to the Board of Selectmen on April 1, 2000, he will continue his pledge to these principles.

*He will not request or accept financial contributions.

*He will not post political signs on his property or yours.

*He will not accept the salary for Selectmen. Ryan will donate the entire amount to the John F. Ryan Elementary School.

When reelected on April 1, Ryan promises to work toward a more comprehensive plan for capital and infrastructure improvements. Ryan will continue to work to stabilize the tax rate, to improve town services and to open up the process of Town Government.

Tewksbury Golden Age to elect new officers April 11

TEWKSBURY - Nomination of officers for the Tewksbury Golden Age Club (GAC) for the coming two years were held. The names are posted on the GAC bulletin board and elections will be held April 11, at the next meeting.

The annual penny sale was held and thanks go to everyone who donated the items for this event. As usual the club always has a great turnout when donations are asked for. Thank you all. Also, a great big thank you to the entertainment committee for their endless hours of work putting this sale together. Thank you. A great time was had by everyone attending.

The trip to Niagara Falls is now closed.

A new trip, to Lake George is now posted. Anyone interested, please sign the interested book on the GAC bulletin board. A deposit of $50 per person is due by March 30; full payment no later than May 25.

Our sympathy to the family of member Jeannette Perry; to George Gibson on the loss of his sister; to Joan Kuzirian on the loss of her mother.

Happy birthday and happy anniversary to everyone celebrating this month.

Rose McKenna, President
Tewksbury Golden Age Club

Stop and Shop, or Shaw's or any retailer," he said.

He said that the plan is a potential one and that the user would be a substantial taxpayer. He also said that he and his clients are willing to work with the town and the neighbors to design a plan that would be acceptable for everyone.

"We're aware that traffic is an issue," Mr. Minicucci said. "We'll have to be in compliance with Mass Highway's requirements no matter what plans we submit for development." In addition to traffic problems, there is a flooding issue with the wetlands located at the rear of the property.

"With the state's new storm water management regulations, [our development] can't increase the water," Mr. Minicucci said. "We plan to have storm water drainage systems in place to handle the water."

"Right now we envision one user," Mr. Minicucci said. He said that the facility may hold two, such as a combination of a grocery store and a drug store, but there's no guarantee it will be that way.

"I think that the way the gentleman described it today, I think he's able to provide traffic mitigation," said Town Manager Michael Caira. He also said that Stop and Shop has had no contact with the town regarding developments.

Mr. Cain indicated to me on a number of occasions that different people had talked to him about utilizing the property, and one of them is Stop and Shop," Mr. Caira said. "But they've never approached the town officially."

"If this project goes forward, and it can go forward as a traffic mitigation project, then I think that is great news," Mr. Caira said. "If the traffic is not increased, if it provides an economic opportunity for the town, a better tax base, and it provides consumers with more of a choice, it's a winner."

Mr. Minicucci indicated that the strip of land they own that is currently zoned for business, which is part of the entire property they're seeking to rezone, could be divided up and used for fast food chains such as Kentucky Fried Chicken, McDonald's, or other chains. He said that the purpose of changing the zoning for the second strip of land is to enlarge the area and make it more enticing to one occupant like a large retailer.

Lynn Duncan, Director of Planning and Conservation expressed concerns that although the plan to develop the area for retail was acceptable as an idea, not enough information was provided for the board to make their decision.

"The proposal is too vague and general," James Diorio, Chairman, said. He indicated that there was no guarantee that there would only be one user for the site. The board offered the applicant the option to withdraw their article, but they refused. The board chose to disapprove the article.

The applicant has the option to withdraw the article at any time before or during the Town Meeting, however it is still (at press time) a viable article.

ConComm reviews drainage plans

FROM PAGE 1

Ms. Wickham said that in order to comply with DEP requirement for subsurface infiltration, it is necessary to have a two foot differential between the water table and the bottom of the structure. She indicated that during most of the year, at the lowest end of the site the groundwater is higher.

"In December, [the groundwater] still would meet the bottom of the infiltration structure, and most often [it] would be higher, which would impact the whole system negatively," Ms. Wickham said. She indicated that it would be against DEP's regulations and that the pooling of water could be conducive to contamination.

"John Keeley suggested we add something similar to a septic system type of structure," Ms. Wickham said. She said that although the suggestion was a good one, it would create continuous standing water within the drainage system. She said they'd looked into other methods of infiltration and none appear to be compatible with the site's drainage issues.

Ms. Wickham said that there will be a new system installed to remove suspended solids, a new catch basin for storm water runoff, and they will be maintained by Amtrack crews. "We evaluated all the [current catch basin] structures. Although they are in good condition, they needed cleaning. We did that," Ms. Wickham said.

"[The drainage calculations] do account for storm water runoff from the other properties and any runoff will be taken care of by the addition of a swale," Ms. Wickham said.

"The maintenance yard will remain in the current location," Ms. Wickham said. She said that the current grade levels across the site won't change and the truck entrance/exit road for the maintenance yard will be from Milton Way instead of Main St.

"[We filed] a 21E [contamination] study that showed no significant sources of contamination. We provided, in October of 1997, a Phase II 21E. Low levels of volatile organic compounds were found in the wells from a source upgradient of site, and as a result we filed a downgradient request with the DEP February 16, 2000. They had 21 days to review it and send comments [to us]. We have not heard from them," Ms. Wickham said.

The Commission chose to continue the public hearing until April 7th to further review the new information.

School and North Intermediate School (Article 10); the replacement of sections of roofing over some classrooms and the cafeteria at the Shawsheen School (Article 11); and the upgrade of the town's septage facility (Article 17).

• **INSTALLATIONS.** At the Town Meeting, residents will also decide whether or not to approve money for the following proposed installations: new overhead lights, including their required wiring and conduit and control panel, at the High School football field (Article 8); a sprinkler system for the playing fields at the North Intermediate School (Article 12); and a new, computerized fuel management system at the Department of Public Works (Article 15).

• **KID'S STUFF.** Should a playground be built at Rotary Park? If the answer for Article 13 is yes, then there will be a number of funding necessities and fine details to play around with: the need for playground equipment; the landscaping of the proposed property; the bedding material; and the determination of access ways and fencing boundaries.

• **ROADWAY CONSTRUCTION.** The intersection of Woburn and Salem Streets has been a concern to Wilmington drivers for quite some time now. Lots of commuters know this intersection well; it's located near the Harnden Tavern, where Route 62 heads off to North Reading. If approved, Article 14 will supplement state aid and pave the way for new traffic lights, sidewalks, curbs, and basic geometric improvements at the controversial crossroads. If also approved, Article 19 will allow the DPW to draw from outside available funds to beef up their Chapter 90 Construction Fund. ("Chapter 90" is named after the chapter and verse in the state laws that allow the state to grant money to communities for their roadway construction.)

• **TECHNOLOGY.** With Article 16, voters will decide whether or not to approve money for the implementation of the second phase of the development of a comprehensive Geographical Information System. The GIS will allow Wilmington administrators and departmental officials to better retrieve information regarding all areas in town.

Articles 19 through 38 will be addressed by the Town Crier in the next issue.

High school hopes to make the grade

FROM PAGE 1

involved the formation and findings of seven committees that addressed these areas: Mission and Expectations, which determined what it is the students should be learning; Curriculum; Instruction; Assessment of Student Learning; Leadership, which focused on not just the high school principal and Super-intendent's Office, but also the paradigm with which decisions are made; School Resources for Learning; and Profile Development, which compiled the statistics of the school and community.

The team has provided the NEASC with a narrative summary of its evaluation.

"This is a voluntary process," says Brad Jackson, the school system's Director of Administration and Finance. "We even provide volunteers from our school system to go and evaluate and give accreditation to other schools, as well."

Continues Jackson, "Here in Wilmington we only see one high school. These accreditation visits provide the public with an external viewpoint of our school, as well as a peek at our strength and areas that require attention."

Wilmington High School Principal Edward Woods will welcome the members of the NEASC team and accompany them throughout their evaluation. Catherine Symonds, who is the English Department Head at the high school, and Robert Cripps, who is the Social Studies Department Head, will join Woods and the team throughout their stay.

"The process of self-examination has been a stimulating, intellectual exercise," says Symonds, who served on the NEASC team that accredited the high school in Medfield. "It has been nice to have the luxury of being reflective. In the end, it will have been the process that has been most beneficial, not the final label that we will receive."

The visit will comprise of meetings with the school board and parents, interviews with teachers, tours of the school, and panel presentations. Student-shadowing, which is the act of a NEASC team member observing students' performances in their classrooms, will also take place.

A March 26 panel presentation, which will involve the NEASC team and some parents and high school administrators and teachers, will focus on the high school's mission and expectations, identify its strengths and needs for improvement, and address its community profile.

Once the four-day evaluation is complete, the NEASC will sit down with Woods and provide him with an informal report on their conclusions. A formal report of the team's assessment will be sent to the Superintendent's Office later this spring. The document will then be presented to the School Committee at one of its meetings and become a matter of public record.

Will Wilmington High School make the grade? School administrators and teachers and parents are confident that it will.

Concludes Jackson, "We expect that this visit will be a positive experience that will show everyone in Wilmington that their high school is right on track."

Power contract up for renewal

FROM PAGE 1

Says Caira, "The Reading Municipal Light Department has been very responsive to Wilmington over the last several years. They have not raised their rates, and they have always responded quickly to power outages and other related problems. We've had a positive relationship with them over the years."

Wilmington's current contract with RMLD was signed by the Board of Selectmen on July 9, 1990. The contract took effect in 1991, and it is set to expire in 2011. The Board of Selectmen had a deadline of 2001 to decide whether or not it wanted to extend its current contract.

Caira expressed confidence that residents at the Town Meeting will indeed vote to extend the contract.

Wilmington Library Notes

The part of Boston where everyone went ... but few admitted it!

Scollay Square

WILMINGTON - **Always Something Doing: Boston's Infamous Scollay Square"** describes the program that will be presented by David Kruh, the author of the book by the same title. Mr. Kruh of Reading, will present a slide show that describes the evolution of the part of Boston where everyone went but few admitted it! This program is funded by the Friends of the Library and is scheduled for Monday, April 3 at 7 p.m.

Friends Annual Meeting

The Friends of the Library had record attendance at their annual meeting of Thursday, March 16 with 55 members voting in the following offices for the Executive Board for 2000:

President, Peggy Kane; Vice President, Shirley Hadfield; Recording Secretary, Judy Hubbard; Corresponding Secretary, Charlotte Stewart; Treasurer, Barbara Hooper; Fundraising Chair, Karen Campbell; Hospitality Chair, Kate LeDuc; Membership Chair, Janet Cahill, Newsletter Chair, EIleen MacDougall; Decorating Chairs, Marion Nee and Lynn Barrasso; Nominating Committee, Martha Stevenson and Joan Searfoss.

Tina Stewart, library director thanked the Friends for their tremendous support and many contributions that have helped improve the library. She acknowledged out going President Karen Campbell for her leadership in organizing a dynamic and vital Friends of the Library. A restaurant gift certificate from the library staff as a token of appreciation to Karen and her family was presented and a letter from Town Manager, Michael Caira thanking Karen for her community service was read. Eileen MacDougall, a member of the Friends' Executive Board also thanked Karen and noted that the Friends of the Library will make a monetary donation to the library for books to be purchased in Karen's honor as the first president of the Friends of the Library.

The entertainment part of the meeting included a take off of the program "Who Wants to be a Millionaire" with Karen Campbell a la "Regina" asking the contestants some challenging questions. David Boeri, the guest speaker addressed the audience regarding some of his assignments as a reporter for Channel 5 and reflected on his use of the library as a sanctuary in writing his books.

Information on Toxic Chemicals

If you are interested in locating information on toxic chemicals used by local industries, the Internet puts this information at the fingertips of citizens. The following web sites are recommended:

Where to find MSDS on the Internet - provides information on Material Safety Data Sheets and links to sites that include MSDS. www.ilpi.com/msds/index.html

The Right to Know Network - provides access to a variety of data bases on companies and the chemical used and their effects. Can search by town and name of company and link to MSDS. www.rtk.net

Scorecard - provides environmental information about your community by typing in a zip code. Ranks and compares pollution situation across the United States. www.scorecard.org

Emergency Planning and Community right to Know Act (EPCRA) This site provides an explanation of The Emergency Planning and Community Right-to-Know Act (EPCRA), a federal statute that requires facilities to report their use of extremely hazardous substances. Also provides links to relate documents. www.gablehouse-epel.com/EPCRA/EPCRA.htm

Please note these are only a few of the many environmental sites on the Internet with information on toxic chemicals. Using such search terms as "Material Safety Data Sheets" or "Toxic Release Inventory" will provide links to other sites. The reference librarian can also show you how to access specialized business databases that include information about companies. The library has two Internet work stations in the adult department which are available to patrons by signing in at the reference desk. If you are not familiar in using the Internet, you can sign up for one of the library's "Introduction to the Internet" classes. Sign up for the next session of classes begins on April 3.

Tewksbury receives grant for traffic safety

TEWKSBURY - The Tewksbury Police Department has been awarded a $7,500 grant by the Governor's Highway Safety Bureau as part of a statewide traffic safety enforcement effort. Tewksbury was one of 14 communities to receive a grant that will focus on the child passenger safety and the safety belt laws through September.

"These grants are designed to supplement existing local enforcement efforts," said Nancy J. Luther, Executive Director of the Governor's Highway Safety Bureau. "With additional patrols, police departments can concentrate in high risk areas at specific times throughout the year to significantly reduce serious injuries resulting from crashes," said Luther.

A recent survey conducted by the Governor's Highway Safety Bureau showed that the use of safety belts and child safety seats increased only slightly among Massachusetts motorists between 1998 and 1999. Safety belt use among front seat occupants of all ages in automobiles increased from 51 percent to 52 percent. Teens age 16-19 went from 35 percent to 37 percent. The biggest gain was in child safety seat use among children age five and under with usage rising from 70 percent to 78 percent.

"This grant will allow us to achieve and surpass our goals of compliance with the safety belt and child safety seat use laws," said Police Chief, John R. Mackey. "We want to send a clear message to all motorists that the best known way to protect yourself and your passengers in the event of a crash is always to be buckled up, it is a good habit to get into," said Mackey.

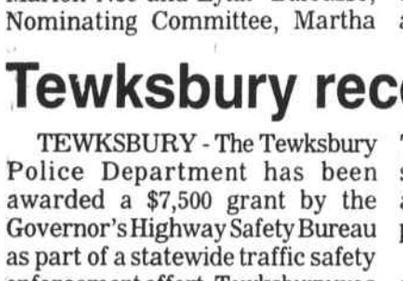

The most current figures for 1998 show that 406 motorists were killed on Massachusetts roadways.

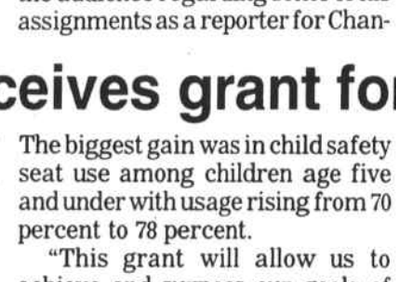

In Tewksbury 135 motor vehicle occupants were seriously injured in vehicle crashes.

Journey into Jazz

WILMINGTON - Monday, March 27, students at the Woburn Street School will participate in a unique educational performing arts event with Journey into Jazz, appearing in a program entitled Journey Into Jazz. This program is presented under the auspices of Young Audiences of Massachusetts. Funding for this program comes from the Woburn Street School PAC.

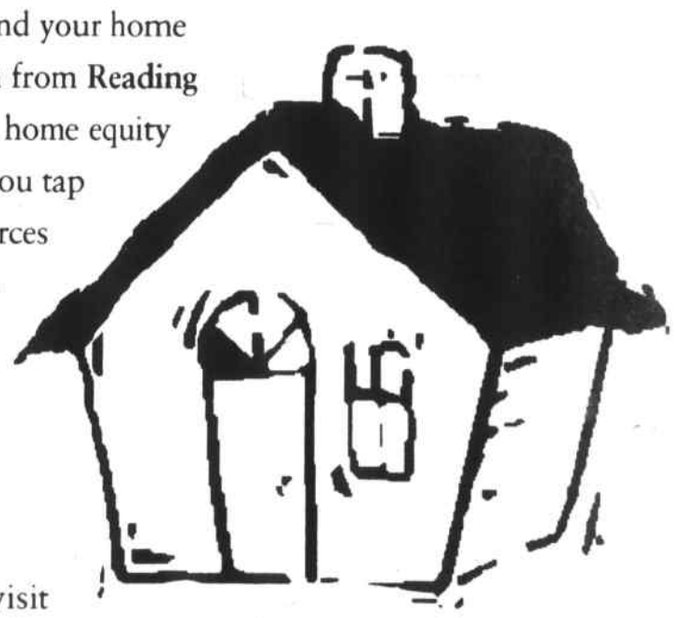

Semenya McCord and a trio of professional musicians share a participatory anthology of the African American musical experience, highlighting the social and historical significance of the evolution of an American art form. This program emphasizes spirituals and songs of the "swing" and "bebop": eras, along with instrumental styles on piano, acoustic bass, and drums. Ms. McCord was the 1998 Boston Music Awards' Outstanding jazz vocalist.

Paula L. Karlberg

established Waybridge Associates in Tewksbury

TEWKSBURY - Mrs. Paula L. (Cronin) Karlberg, 57, died unexpectedly Friday afternoon, March 17, 2000 at Boston Medical Center following an apparent heart attack while visiting the Boston Flower Show. She was the wife of Alfred A. "Al" Karlberg, with whom she celebrated their 35th wedding anniversary this past February 5.

Born in Malden, December 9, 1942, she was the daughter of the late Paul and Dorothy (McDonough) Cronin and lived in Malden during her early years, moving to Tewksbury in 1955.

In her early career, she was employed as an executive secretary at Marshall's corporate headquarters in Andover, and later as an administrative assistant at Charles River Laboratories in Wilmington. She went on to establish Waybridge Associates in Tewksbury, a secretarial and organizational consulting company, where she was currently president.

Active in community affairs, she was an active member of the Tewksbury Lions Club and had been active in the Tewksbury Garden Club. She also served on the Town of Tewksbury Sidewalk Committee and was a communicant of St. William's Church.

Besides her husband, she is survived by two sons and daughters-in-law, Scott and Kate (MacFawn) Karlberg of Rumford, Maine, Jeffrey and Michele (Ippolito) Karlberg of Arlington; two sisters and a brother-in-law, Adrian and Robert Miguel of Woburn and Stacey Cronin of Beverly; three grandchildren, Leah, Ellen and Madeline Karlberg, and several nieces and nephews.

A funeral mass was held on Tuesday, March 21 in St. William's Church, Tewksbury followed by burial in St. Mary's Cemetery. Memorials made in her name to the American Heart Association, 20 Speen St., Framingham, MA 01701-4688 will be appreciated.

Arrangements were under the direction of the Tewksbury Funeral Home.

SELF-KNOWLEDGE

We live in an "information age," aided and abetted by the current fascination with the computer. Has this information gathering furthered our knowledge of ourselves? Seymour Cohen has observed, "A modern commentator made the observation that there are those who seek knowledge about everything and understand nothing. It is wonder not mere curiosity - a sense of enchantment, of respect for the mysteries of love for the other, that is essential to the difference between a knowing that is simply a gathering of information and techniques and a knowing that seeks insight and understanding. It is wonder that reveals how intimate is the relationship between knowledge of the other and knowledge of the self, between inwardness and outwardness."

When a loved one is lost, you might feel the need to "be strong" even though you hurt so deeply. It's okay to cry. Tears are not a sign of weakness; this applies to men as well as women. The experts say that crying helps; and, our experience as funeral service professionals has shown that they are right. At FARMER & DEE FUNERAL HOME, 16 Lee Street, we are attuned to each family's individual concerns and needs, and strive to provide the support that is most comforting at the time. For more information on preneed and current need funeral arrangements, call 851-7411. All faiths are welcome.

Billerica Crossings offers affordable housing and health care option for seniors

BILLERICA - Senior Living Residences, LLC of Boston, the management company overseeing daily operations of Billerica Crossings, has announced the selection of Billerica resident Celina B. Watson, R.N., B.S.N., as Executive Director. Billerica Crossings is a new independent and assisted living residence opening next month on Charnstaffe Lane just off Concord Road near the Town Common.

Ms. Watson joins Andrew Badoud, Director of Operations, and Bridget McDonough, Director of Community Relations to form the top management team for the new residence.

Ms. Watson, R.N., B.S.N. has a broad range of experience working in the health care field with seniors in the assisted living, home health care and nursing home industries. She is a registered nurse, and most recently, was the director of resident care at Orchard Hill at Sudbury, an assisted living community in Sudbury. She also has extensive managerial experience, having worked as vice president of operations for a regional home care company in Santa Fe, Ca.

Andrew Badoud, director of operations, said, "We are very pleased to have Ms. Watson on board. Her hands on experience in managing the care of assisted living residents and her local connections make her an excellent choice to head up our new community. Her professional background, compassion and enthusiasm will be a great asset for Billerica Crossings and our residents."

Billerica Crossings offers an affordable housing and health care option for seniors who no longer wish to maintain a home or live alone, who desire companionship and social activities, and who may need a helping hand with some daily living activities and medication management. The new community has 64 apartments and a variety of comfortable community spaces including a main dining room, a fitness/activities center, a library featuring a computer with internet access, and an outdoor courtyard with a paved walking path.

The assisted living lifestyle at Billerica Crossings will provide the independence and privacy seniors desire with peace of mind knowing that assistance is available 24 hours a day. Residents will live in attractive apartments and have access to personal care, housekeeping, medication management assistance, social and wellness programs, transportation and gracious dining.

Affordable for average seniors, Billerica Crossings is a monthly rental community with no expensive "buy-in" required, no endowment payments or long-term financial obligations. There are several types of accommodations and service packages that offer a flexible rate structure. The community also participates in the Massachusetts Medicaid program so that seniors of limited means can take advantage of all assisted living has to offer.

Ms. Watson said, "I'm very excited to be a part of Billerica Crossings. We look forward to becoming an important resource for local area seniors."

Billerica Crossings is sponsored by SK Properties, Inc. of New Ipswich, New Hampshire. Senior Living Residences, the management company overseeing daily operations of Billerica Crossings, is an industry leader in the advocacy and creation of affordable assisted living in New England.

Billerica Crossings is located at 20 Charnstaffe Lane in the Billerica Historic District, just down the street from the Billerica Shopping Mall and the town common. Furnished model apartments are open for tours daily and priority applications for residency are now available. For more information, call 978-667-0898 or visit the Billerica Crossings web site: www.seniorlivingresidences.com.

TEWKSBURY SELECTMAN

Dear Tewksbury Residents,

Throughout my campaign for Selectman, I have had the privilege of speaking with many of you who are as concerned as I with the issues which I have placed at the forefront of my candidacy for Selectman. If elected on April 1st we will work together to resolve those issues, and address other concerns which we discussed.

- *Stabilization of the tax rate.*
- *Town-wide sewerage at a feasible and responsible fee for all.*
- *Major improvements of the town's drainage problems.*
- *Major improvements to the deplorable condition of our roads.*
- *Renovations of the Middle School with a responsible consideration of the financial impact on the overburdened taxpayer*
- *Fiscal planning to alleviate future shortfalls which can result in devastating cuts in Town services.*

Cats and Rams score big in cheerleading competition

By MICHAEL LIUZZA
SPORTS CORRESPONDENT

For those individuals who don't feel cheerleading is a true sport, they should have checked out Lowell high school last Sunday afternoon.

An estimated few thousand people jammed Lowell to witness an action-packed state championship cheerleading competition. 12 total teams competed in division two, and both Wilmington and Shawsheen Tech were represented from the area. Both turned in very successful performances to close out their season.

The Lady Wildcats tied Longmeadow for third place, while the Lady Rams captured a very respectable fourth. Powerhouse Shepard Hill took first, while Franklin nabbed second. For the last few years, these two teams have been the best.

"Shepard Hill and Franklin are the teams to beat," said head Wilmington coach Nancy Sullivan. "It's almost like they are expected to finish in the top every year. But we performed to the best of our abilites and I'm very proud of the girls."

The previous week at the regionals, Wilmington had some what of a rough time performing. Several mistakes hurt, and the nerves of the competition showed. But it was a different story on Sunday, as the Wildcats came away with a terrific performance.

"The girls came back and proved they were a better team than what they showed at the regionals," said Sullivan. "We put in a lot of hard work this year, and to finish third in the state is a great accomplishment."

"We certainly redeemed ourselves," said Wilmington senior captain Arlene Moscufo. "Last week was rough, but we really did well on Sunday. We knew it would be tough to place first, but all of our hard work payed off and we're all very happy."

Shawsheen head coach John Beaton though the competition overall went very well this year. "I've been doing this for quite awhile, and this has been the best competition I've seen in a long time," explained Beaton. "All of the teams here were tough, and all of them put in a lot of hard work to get here. I also think that Lowell is a great place to hold the competition because it just seems to hold large crowds nicely."

Beaton went on to explain that his team performed very well except for one little mistake in the middle of its routine. Other than that, he really couldn't have asked for much more.

"There was just one little babble in the middle in our routine, but the girls kept going and never quit,' said Beaton. Everyone on this team is a hard worker and they all put in the time every week. I don't think they've gotten the recognition they deserve."

Lots of hard work, and lots of bumps and bruises for the Lady Rams. During the course of the year, some girls sustained such injuries as broken teeth, a broken wrist, several broken fingers and have survived numerous falls. Who ever said cheerleading wasn't a rough sport?

"This team has a great attitude and I'm very proud of them," said Beaton.

"We're very happy with the performance, but we're also sad that it's over," said senior Erica Gemellaro, who will try out for the cheering squad at UNH next month. "It's been a good season and a lot of fun."

Congratulations to both Wilmington and Shawsheen for their extremely succesful seasons.

Perfect weekend for Grade 8 traveling hoopsters

WILMINGTON - The 8th Grade Travel Basketball team had a perfect weekend as they went 4-0.

On Friday they entered the annual Billerica Shamrock Classic Tournament. Up first was Lynnfield. Even though Wilmington was short handed, they easily defeated Lynnfield by a score of 45-29. It was a total team effort as everyone contributed to the victory. Mike Cavallaro lead all scorers with 10, followed by Bobby Harrington with his season high of nine, Zak Mitzan with eight, Mike Gore, seven, Dan Hurley five, Derek Trueira four and Kevin Pizzotti, two.

Saturday morning they took a break from the tournament as they started the playoffs against Methuen. This time with a full squad, Wilmington started out slow as they fell behind at half time 33-24. But at the half, coaches Mike Mitzan and Rich Delucia woke up their team as the boys pressured Methuen into some turnovers. With some scrappy defense and all around hustle, they finally got the lead back.

Mike Kelly inspired his team and lead the way as he had a season high 25 points and numerous assists. Dave DeMango and Mike Cavallaro dominated the boards. During a crucial play in the second half, a Methuen player was called for a foul and then subsequently thrown out of the game. Sean Godding made the two key free throws and Mike Kelly went to the line to shoot the technicals and hit four straight. This was Wilmington's best free throw shooting game as the boy shot 18 out of 25 free throws. Rounding out the scoring were Dave DeMango 11, Mike Gore 11 and Derek Trueira 11, Mike Cavallaro 7, Zak Mitzan 5, Sean Godding, Kevin Pizzotti, Bobby Harrington and Dan Hurley with 2 apiece. As once again everyone contributed. Final score was Wilmington 77; Methuen 68.

Advancing to the next round, Wilmington faced Billerica. Getting by Billerica would place the team into the finals for their bracket. It was a close game throughout as neither team could break out. With some timely three pointers, Derek Trueira hit for three of them and added three free throws for 12 points to help his team get the lead for good. Dave DeMango had 14 points, Mike Cavallaro 11, Mike Kelley and Zak Mitzan had 7 apiece, Mike Gore had 5 and Bobby Harrington had two. Wilmington defeated Billerica 58-50.

This placed them into the finals.

Getting back to the Shamrock Classic, Wilmington once again faced Billerica in Billerica for the championship game on Sunday evening. This match was similar to the preceding day as the game was close throughout. In the end Wilmington broke away and won the game and their bracket, 50-45. The scoring was once again spread out as Dave DeMango led with 13 points followed by Mike Kelly with 8, Mike Gore, Zak Mitzan, Derek Trueira with 6, Bobby Harrington 5, Mike Cavallaro 4 and Dan Hurley 2.

The 8th Grade Travel team is coached by Mike Mitzan and Rich Delucia. Playing on the team is Mike Cavallaro, Dave DeMango, Mike Kelly, Sean Godding, Mike Gore, Kevin Pizzotti, Zak Mitzan, Bobby Harrington, Mark Pickett, Derek Trueira and Dan Hurley.

This week they will face Chelmsford in the finals for the championship.

Lowell Association for the Blind

Volunteers needed for beep-ball

LOWELL - The Lowell Association for the Blind beep baseball team, "The LAB Retrievers" is looking for sighted volunteers who can help the team for the 2000 season. Volunteers are needed as field manager, pitcher, catcher, fielding spotters, umpires, and for sighted guide. The team members also need volunteers who could drive them to and from games and practice.

The LAB Retrievers will be practicing twice a week at outside fields beginning in May through the end of September. There will be games scheduled with teams from local groups, clubs and agencies, and volunteers will also help in the annual Charity Beep Baseball game in September played at LeLachuer Field in Lowell. Volunteers helping with the LAB Retrievers will be given the Rule and Regulations from the National Beep Baseball Association, and will learn the game from the team members.

Anyone interested in becoming a volunteer with the LAB Retrievers beep baseball team should call the LAB office at 978/454-5704 or write to LAB at 174 Central St., Lowell, MA 01852.

Pop Warner registration March 25

WILMINGTON - Registration will take place Saturday, March 25, between the hours of 9 a.m. and noon at Fourth of July Headquarters. All participants should be between the ages of seven and 15 (before July 31, 2000). The cost of registration is $50 per participant with a maximum of $100 per family. Each family is required to purchase $100 worth of sports prize calendars with the proceeds from this being kept by the family. Any person registering after this Saturday will be charged a $25 late fee.

All new registrants will be required to take in an original birth certificate. Football applicants need to attend for weighing. If you have any questions or concerns, feel free to contact Karen Clark at 694-7618 for cheering; Rich DeLucia at 658-2276 for football or Dawn Nims at 988-9687.

Coaches meeting

Wilmington Youth Soccer Association will hold a coaches' meeting Saturday, March 25 from 9 a.m. to noon at the Shawsheen Elementary School.

A referee clinic will also be held March 25, at the Shawsheen Elementary School from 9:30 to 10:30 a.m.

Referee instruction

The Tewksbury Youth Soccer League will be holding a soccer referee instruction class for players who want to referee Under 7 and Under 15 games during the spring season. This class will be held Wednesday March 29th for both new and experienced referees. The class will be held from 7 p.m. to 9 p.m. in the Community Training Room at the Tewksbury Police station. Attendees should be at least 10 years old and have three or more years of playing experience.

Referees are paid by the soccer league and class attendees are given priority on game assignments. All potential referees and coaches are encouraged to attend. For more information call Ed Flannagan at 978-851-7580

Ski program glides to a stop, for now

TEWKSBURY - Tewksbury's Wynn Middle School Intramural Ski Program completed another successful season under the direction of middle school teachers Nancy Farrey-Forsyth, Donna Graham and Patricia Krol. A bus transported 32 students to Bradford Hill Ski Area in Haverhill Tuesday afternoons in January and February. Students could choose to take lessons or purchase a lift ticket at a reasonable price. Rentals were also available at a moderate cost.

This program is open to seventh and eighth grade students attending the Wynn Middle School regardless of previous ski experience. If this program is offered next January, information will be available in the middle school in October and November of 2000.

Wilmington Mite C's

Tie Marblehead; topple Reading

Wilmington 3
Marblehead 3

The Wilmington Mite C team played the Headers of Marblehead Saturday afternoon at Merrimack College and the results were not quite what the Mini Cats wanted.

Wilmington found themselves playing catchup throughout the whole game. Marblehead quickly got out of the box early, by scoring their first goal at 10:36 of the first period. Then at 7:55 of the first period Lewis Robertson evened things up when he was sent in alone on some great passing from his linemates, Anthony Bruce and Danny McDougall. Robertson darted in and swiftly wristed one past the Marblehead goalie.

Wilmington could not hold off a surging Marblehead team as the Headers climbed back on top with their second goal at 11:15 of the second period. The Mini Cats once again answered that goal with one of their own as Sam Grant knocked a rebound off of a Brendan Murphy shot at 10:38 of the second period. Also assisting on the goal was Eric Parsons.

The see saw changed directions again, when Marblehead regained the lead at 8:06 of the third period. Wilmington could have folded, but this team has shown all year that they won't lay down for any team. The Mini Cats kept sending waves of blue and white, peppering the Marblehead goalie with plenty of shots that were being turned away. The frustration was evident, but the Wilmington team never let up. Then with 1:22 seconds to go in the game, Wilmington pulled their goalie for an extra skater. The Mini Cats kept up the torrid pace and finally, for the second time this season, Wilmington tied the game on some sheer determination from Lewis Robertson who knocked home the rebound from Sam Grant, with just :44 ticks left on the clock. Also assisting on the goal was Chris Robertson. The Wilmington team had dodged another defeat and ended the game tied. Playing solid defense for the Mini Cats were Sean Callahan, Andrew Flodin, Jesse Rossetti, Chris Robertson and Charlie Gendron. Playing some fine two way hockey were Kevin Barry, Kyle Creedon and Brendan Collins. Scott Derrickson came up big for the Mini Cats in goal, stopping 10 Marblehead shots.

Wilmington 2
Reading 0

Sunday morning the Wilmington Mite C Team advanced to the second round by beating a solid Mite C Team from Reading at the District 10 Mite Fun Tournament, hosted by Medford Youth Hockey.

Wilmington and Reading came out of the locker room with fire in their eyes as these cross town rivals locked into a fierce battle of grit and determination. While the play was end to end from the outset, Wilmington found a way to the Reading net, as Danny McDougall continued his torrid scoring pace, when Lewis Robertson made a superb pass and sent McDougall in on the Reading goalie. Danny McDougall faked the goalie and beat him to far side of the net to give Wilmington the lead and all they would need to squeeze out a win. Brendan Collins scored the insurance goal on a super shot to the corner of the net to put the Mini Cats up 2-0.

This game was more than the two goals Wilmington scored, this was a total team effort of bump and grind, as each and every one of the Wilmington players showed up to give his all. Playing outstanding offense and creating good scoring chances were Kyle Creedon, Charlie Gendron, Scott Derrickson, Kevin Barry, Eric Parsons and Chris Robertson.

Acting as Wilmington's blue wall and keeping Reading away from scoring were, Brendan Murphy, Sam Grant, Andrew Flodin and Jesse Rossetti. Playing outstanding in the goal for Wilmington was Sean Callahan, turning away 10 Reading shots and earning his first shutout of the season.

RAM SPIRIT- A lot of spirit was shown during the cheerleading competition on Sunday, March 19th at Lowell High School. Left row, left to right: Lauren Bartalamia and Jhenn Kulins. Middle row, left to right: Erica Gemarallo and Amy MacAdoo. Right row, left to right: Kathy Dubbs, Summer Mathis and Derrie Helmer. (Maureen Lamoureux photo)

Tewksbury Mite C

St. Patrick had no luck to lend this tourney

On St. Patrick's Day, the Tewksbury Mite C hockey team (sponsored by J.J. Phelan and Sons, Inc.) skated to a 2-2 tie against the Methuen Mite B squad.

Methuen took the lead early in the first period but Katelyn Ladd (unassisted) tied the game just 17 seconds later. Methuen scored again in the first and held the lead until late in the second period. Ian DiRusso (unassisted) tied the game for Tewksbury on a long powerful angled shot. Nicholas Mann was noted for his good back checking throughout the game.

This past weekend, the Mite C's participated in the 20th annual St. Patrick's Day Tournament held at the Hallenborg Rink in Billerica. The Mite C's record was 1-3 at the event, but their results certainly were not reflective of their effort. Although they were shut out twice (4-0 to Nashua and 1-0 to Woburn), the team applied significant pressure on the opposing goalies. They simply had no luck finding the back of the net. Evan Walsh played exceptionally well in net (particularly in the Woburn game), stuffing multiple odd man rushes.

Against Billerica (in the first contest with this team) Tewksbury had no problem finding the back of the net and won the game 7-2. Katelyn Ladd was outstanding offensively, scoring four goals and assisting on another. Other goal scorers included the DiRusso twins (Ian and Eric) and Stephen Bruno. Credited with assists were Allison Frazier with two and Shawn Leonard, Ian DiRusso and James Sullivan with one apiece. David Conley, Jonathan Choroszy, Christopher Sadler, Matthew Pelrine and Andrew DeMaio played strong roles in the team's offensive success.

In the rematch against Billerica (tournament consolation game), Tewksbury ran out of gas and lost 3-1. Jonathan Choroszy scored the Mite C's lone goal. Eric DiRusso and Katelyn Ladd were credited with the assist.

Celtics 41
Warriors 39

Kyle Monico had the hot hand, scoring nine points, as the celtics defeated the Warriors to advance to the final game on Saturday. James Putney added six points and the tough defense of Pranav Patel and Mike Reichert down the stretch kept the Celtics ahead for good.

The Warriors got their offense from Samir Shah with 16 points, and Derek Lowe with 12 points and 10 rebounds. Himanshu Shah added six points and 12 rebounds and Keith Tashjian had four points and a couple of steals. Great all around defensive play and a basket by Mike Delponte kept the Warriors in the game. Great team play topped off a good season for the Warriors.

Suns 46
Sixers 40

In a battle that left both teams exhausted, the Suns came out on top to advance to the final game against the Celtics on Saturday. Leading the Suns offense were Keith Hyland, who lit it up from all over the court, with 12 points, and Vinny DiPierro with eight. Tom Joyce, Mike Ferriero, Conor Flanagan and Mike Hood all had exceptionally strong, overall games for the Suns. The strong team depth of the Suns enabled them to withstand an awesome, fourth quarter comeback attempt by the Sixers, who fell behind big after three and almost pulled off a miraculous comeback. Scott Darby finished with 17 points, with 13 in a fourth quarter that was all heart and desire, to lead the Sixers scoring. Alex Fredriksen had eight points, including some key free throws in the fourth quarter, and his defense was instrumental in the comeback attempt. Patrick Devlin and Brian Morrison also had strong games for the Sixers, who finished off a terrific season once again.

Senior division

Rockets 64
Bulls 37

The Rockets take their 13-1 record to the championship game as this team proved to be too much for a gutsy Bulls squad. The Rockets were lead by Pat Gorman's 18 points, Chris Shepard with 16, Steve McKenna 10 and Sam Kupeyan with seven.

The Bulls kept this game close in the first half with the inspired play of Peter Fortunato with 12 points and Bryan Donoghue with eight. The Bulls had an excellent season and should be proud of their efforts.

Blazers 54
Hawks 45

The Blazers outdistanced an undermanned Hawks team in this hotly contested semifinal game. The Blazers received solid performances from Richie Cruz with eight points, Dave McDonald with 10 and Jon Blanchard with 12.

The Hawks never gave up and should be proud of their efforts in this game and the entire season. They were lead in this game by Chris Keenan with eight points, Danny Desmond with six and outstanding defense along with the exceptional shooting of Joe Ballway with 24 points on eight for 10 three point shots.

Tewksbury Squirt B's douse Manchester Flames

The Tewksbury Squirt B's sponsored by Jimmy Mac's soundly defeated the Mighty Manchester Flames this weekend. This victory was especially satisfying because it was only the second loss (against 10 victories) handed to the Flames this season and it ended a mini-slump (three losses, two ties) the Redmen have slipped into since that great championship weekend in Brookline.

TJ Greene had the lone Tewksbury tally in a 1-1 tie with Salem, N.H. TJ's shot was a beauty as he roofed it, far side from the slot. But it was upstaged by Matt "Triple Lutz" Bruno's work in the corner to get the puck to TJ. Matt was spinning like a top as he executed no less than three 360s.

The Redmen then dropped a pair of heart breakers to Triton (0-1) and Medford (2-3). Not much to report on in the Triton game other than some strong defense from Billy Stuart, Bobby Bennett, Tim Dooley, Joey Ginsburg, Kevin Lyons, Sammy Macy and Katie Stokes. Medford jumped on a "flat" Tewksbury team for three first period goals. Our troops finally found their legs in the third period and tossed in a couple. Off some hard work in the corner by Sean O'Hare and Matt Bruno in the corner, Timmy Sheehan found himself alone (except for the puck) in the slot. The goalie guessed low, but Timmy went high. Late in the game, Joey Ginsburg kept the puck in at the blue line and launched one into a crowd in front. TJ Greene emerged from the ensuing scramble with his stick raised as the referee fished the puck out of the net. While the comeback against Medford showed some heart, these were both teams we should have beaten handily.

The next loop in this rollercoaster season was a strong Chelmsford team. Billy Stuart lit the place up with a number of great saves. Perhaps the best was on a shot that popped into the air off his pads and was dropping into the net when he reached back and gloved it on the just short (at least by the time the ref got there) of the goal line. You've got to be pretty quick to make two saves on one shot. Chelmsford finally netted one (in addition to ringing a couple of posts) in the second to set the stage for a thrilling third period comeback. Late in the game, Jeremy Booth rifled one across the crease from the right wing corner to a perfectly positioned Scotty Capraro. Without going into great detail, let's just say it's a good thing Scotty's feet were perfectly positioned too. 'The game ended in a draw.

Apparently, this effort rattled Chelmsford because they didn't show up for the scheduled rematch two days later. Instead, the Redmen arrived in Tyngsboro only to find the North Andover Knights there in a last second double secret rescheduled. Coach Macy attempted to retool the Chelmsford game plan for North Andover, but there just wasn't enough time to pull the game films and review them. Unfortunately the result was an old fashioned butt whoppin' for the Redmen. The first Tewksbury goal came when Sammy Macy fired a rocket from the point. Sean O'Hare kept the rebound alive to Marc Legere who jammed it in. The second came when Scotty Capraro slid the puck back to Kate Stokes at the point and then slid into position to screen/tip Katie's strong shot. The goalie stopped Scotty's tip, but Mike Taylor jammed in the rebound. Other than that it was all Knights.

Next on tap for Tewksbury was a trip north to the lair of the Manchester Flames in a hidden valley by the banks of the Merrimack. Apparently, this trip to the country was just what the Redmen needed as they hopped all over the stunned Flames. Timmy Dooley rifled one in front of the point off a defender's skate (assists going to Marc Legere and Sean O'Hare), Marc Legere fed Kevin Lyons who blasted one from the point. The goaltender got a piece of it, but Timmy Sheehan was all over the rebound and popped it in. Next was the play of the game as Scotty "Lacrosse" Capraro picked a pass out of the air with the blade of his stick at center ice. Without breaking stride, Scotty cruised over the blueline and deposited a wrist shot from the top of the circle that proved to be the ultimate game winner. After Manchester made it interesting, Bobby Bennett muscled the puck through center ice with a defender draped all over him. At the blueline, Bobby pushed the puck ahead for Sean O'Hare. Sean battled through a hook and scored on the delayed penalty to ice the victory. This was a tremendous team effort, arguably the best of the season.

A PRAYER TO THE BLESSED VIRGIN
(never known to fail)

O Most beautiful Flower of Mount Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my request. O Star of the Sea, help me and show me herein you are my Mother.

O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart, to succor me in this request; there are none that can withstand your power.

O, show me herein you are my Mother. O Mary, conceived without sin, pray for us who have recourse to Thee. (3 times)

Sweet Mother, I place this request in your hands. (3 times)

Say for 3 consecutive days and publish.

God Bless

Wilmington Mite D's Gritty battle with Methuen

Just when they thought things couldn't get any better this hockey season, the Wilmington Mite D's took it up another level last Saturday. That was when they took on second place Methuen and came away triumphant against the Rangers by the score of 2-1 in a real nail-biter at Methuen High School.

The final score pretty much tells the story that this win was no walk-in for the D's. In fact, this game was a gritty battle that, from opening faceoff to final buzzer, ensured that no fan of either team would leave with fingernails intact. There was no doubt here that both sides came to play.

The two teams had previously matched each other tough, and all those out on Saturday who had attended last year's 4-4 tie between them got what they expected - a close, skillfully executed rematch.

Wilmington snatched this win with a well rounded effort, but once again their trademark defense was awesome. James Clancy and Jared Hayes in particular stood out, with one or the other always seeming to be there to block the Rangers' best scoring chances; while fellow defensemen Chris Colosimo, Alex Williams, Craig Benard and Kyle Cimon patrolled the ice like a swat team to keep those chances to a minimum.

Jimmy Mullen was also huge in net once again for the Mites, collecting a number of key saves to lockout Methuen.

The first period of play showed just how evenly matched these two teams really are. It ended with Wilmington taking only two shots on goal to Methuen's one, and neither team scoring.

The second period was a different story, however. In that period the Wildcats' offense finally ignited, sparked by their teammates' animated defensive performance.

Winger Brian Coutu lit the first match at 2:37 of the second when he took a feed from Chris Colosimo and shuffled it up the right side of the Rangers' zone in a run and gun bid that swiftly found its way to the five hole and the back of the Rangers' net. Colosimo was credited with a well earned assist on the play.

Just under four minutes later, forward Peter Leighton, knowing that one goal would not be enough against this club, stoked the fire a little more. He skated a Brian Coutu pass up the middle of his opponents' zone, slipped by ranger defenders with two impressive moves and fired the puck past Methuen's dazed goalie. That goal gave Wilmington a 2-0 lead.

Leighton's goal gave the D's a comfort margin that would be short lived, however, as just 24 seconds later the Rangers finally managed to crash Wilmington's net and put up a score. That made it 2-1 Wilmington with 5:22 still left in the second period. The period would end, though, without any further scoring by either team, leaving the Cats with the unenviable task of defending their tenuous lead for 12 more minutes.

Methuen staged a good fight during the third and kept everyone in attendance at the brink of coronary arrest, but in the end they couldn't penetrate Wilmington's steadfast defense and back checking. They mustered up just one shot on goal against Mullen, and were forced to take the loss. Wildcats David Mello, Pat Enwright, Brett Kidik, Sean Keane, Ryan Kennedy, Eddie Barrasso and Brendan O'Brien had great games for the D's and were instrumental in holding the lead during the third period.

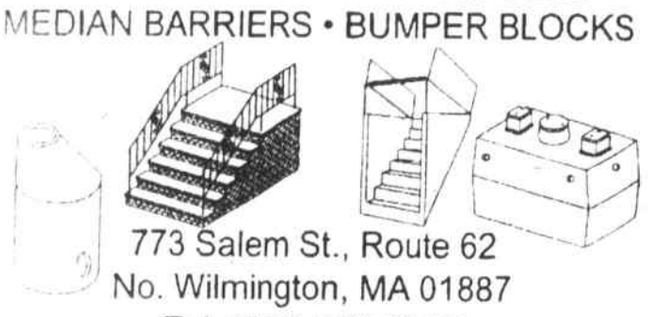

Wilmington, now 12-1-2, will take on old rival Tewksbury next week as they move toward the end of their regular season.

PLANNING BOARD LEGAL NOTICE PUBLIC HEARING PROPOSED AMENDMENTS TO THE ZONING BYLAW

Notice is hereby given that the Tewksbury Planning Board will hold a public hearing on Monday, April 10, 2000 at 7:00 P.M. in the Town Hall Auditorium, 1009 Main Street, Tewksbury, MA 01876 to discuss the following proposed amendments to the Tewksbury Zoning Bylaws:

I. Section 3. Zoning Districts, seeks to rezone Tewksbury Assessors Map 34 Lot 38 consisting of 2.01 acres from heavy industrial to commercial. Said land is located on Main Street across from Friendly's Restaurant at the intersection of Main Street and Marshall Street. The lot is currently vacant.

II. Section 4. Use Regulations Schedule, subsection 4.6.f(4), Automotive Service Car Wash by changing the use regulations schedule to allow a car wash to become a permitted use in commercial and heavy industrial zoning districts by means of a Special Permit to be issued by the Board of Appeals.

III. Section 3. Zoning Districts and Section 3.8 Multiple Family Dwelling District seeks to rezone from R-40 (residential one acre) to MFD (Multiple Family Dwelling) that portion of land identified as Tewksbury Assessors Map 51 Lot 7 consisting of 197.23 acres. Said land is located on the easterly side of North Street across from Northgate Road and also at the terminus of both Overlook Drive and Catamount Road up to the edge of Ames Pond. The lot is currently vacant.

IV. Use Regulations, subsection 4.7(g) Multiple Family District Special Permit. The site shall have a minimum lot area of 4 acres with the 150 feet of frontage on public way and with the nearest new structure a minimum of 50 feet from any public way. (Refer to Article 43 of the 1980 Town Meeting for the following sentence addition.) The Planning Board may waive the site access requirements of 150 feet of frontage on a public way to a minimum of 40 feet of frontage on a public way provided that a suitable private access road into the site area can be constructed with the reduced frontage. There shall not be more than a maximum of six (6) units per acre nor more than three (3) bedroom per unit, or more than eighteen (18) bedrooms per acre.

Within the site area the following distance perimeters shall apply:

(Paragraphs 4.7(g)I. Through 4.7(g)3.9 shall remain unchanged).

V. Section 4.11.3.2 Site Plan Special Permit seeks to require site development proponents to provide six (6) copies of an 11" x 17" plan of development proposals to Planning Board members for review of proposed site developments.

These proposed Zoning Bylaw amendments may be examined in the Planning and Conservation Department, 999 Whipple Road, Tewksbury, MA 01876 during normal business hours Monday through Friday.

Wilmington Squirt E's stop Reading 3 -1

Sunday, March 19, the Wilmington Squirt E team took on Reading at home in an early morning contest and came out skating hard. The first period was a back and forth battle until Wilmington got on the board with 4:16 left to play. Forward Matt Bibeau stole the puck deep in the offensive zone and kicked it back to the blue line where Wilmington defenseman Daniel Spurr was waiting. Without hesitation Spurr blasted a shot that found the back of the net. Wilmington, 1-0.

Just one minute later Scott Dacko intercepted a Reading pass and found a cutting Patrick Cassidy. Cassidy made several great moves to avoid the defenders and snapped one past the goalie. The first period ended with Wilmington up two.

Wilmington's defense played their best game of the season on Sunday. Niko Katsikas, Mark Grassia, Paul Martel and Spurr did not allow Reading to get any momentum going and the score proved it. Wilmington, playing with a new goalie, Richie Murray in net kept Reading from scoring in the first two periods. The same could not be said for the Wilmington offense. With strong efforts from Elisha Clancy, Kevin Carter and Kevin Bradley Wilmington's offense kept pressure on the Reading goalie all game. With 5:13 left to play in the second, the pressure finally paid off. Cassidy, returning the favor for the nice pass Dacko made to him in the first, fed Dacko who promptly tucked it away to put Wilmington up three.

Reading came out fast in the third and scored a quick goal but that would be all Wilmington would allow. The score remained 3-1 until just about one minute to play when Matt Hope fed Shawn Crowley in front of the net, Crowley beat the goalie to put Wilmington back up by three. Wilmington, wanting to make sure that Reading couldn't sneak back in, put the game away when Crowley found Keith Little in a crowd in front of the net and Little put it away.

Coaches Tom Crowley, Mike Grassia, Bob Little and Kevin Murray have Wilmington playing great team hockey and are making a strong late season run. If Wilmington continues to play at both ends they will be sure to do some damage in the playoffs.

Part time jobs: What is the pay?

By DOUG WOOD-BOYLE

As one classified ad for a full time job is worded: "We are here to stay, we want our mechanics to be."

That is the case with some of the companies that have found it necessary to place a classified advertisement in the Middlesex East Job Mart section. However, many others find it difficult to find help for the positions they have available.

On average, the part-time positions that are available pay about $7 or $8 per-hour with some paying more and some paying only minimum wage. The job range varies from mother's hours to afternoon and evening hours more suitable for teenagers.

However, in many cases retirees would be welcome to apply for the positions.

In the case of jobs suitable for teenagers, even a popular job for young people, working at a movie theater, is seeking people to fill it.

Wendy Thompson, manager of the Showcase Cinema in Woburn said, "This area (the remoter location of the theater) makes it difficult to hire people."

As of last week Showcase was looking to hire cashiers, ushers, concessions people, and customer service people with a starting pay up to $8 per-hour depending on experience. The benefits include flexible hours and free movie passes.

The jobs being offered on the market range from drivers to housekeepers to customer service people and telephone surveyors.

At Country Club Heights in Woburn, Rick Wehler has been the kitchen manager for the past five weeks and he is already finding it difficult to keep help.

"We hire mostly young girls from Woburn High," he said in an interview. We are having a tough time."

The pay ranges from $6.50 to $8 per-hour depending on length of service. That is above the $6 minimum wage scale under Massachusetts law.

"No one wants to work."

Tanglewood Marionettes "Fairy Circus" this weekend

On Sunday, March 26th the Linden Tree Coffeehouse will present "THE FAIRY CIRCUS" performed by Tanglewood Marionettes. This is the third visit from the winners of the 1999 International Excellence in the Art of Puppetry Award. Due to the popularity of this puppet company's productions there will be two shows at 2:30 and 4:30. A treat for the whole family!

Featuring over twenty beautifully hand-carved marionettes, "THE FAIRY CIRCUS" is a showcase for turn-of-the-century style trick puppetry. The puppets will dance, play instruments, juggle, contort, transform, and fly through the air with the greatest of ease, all to the best-loved music of favorite composers, Offenbach, Ravel, Tchaikovsky, and others. This show has been performed at festivals, libraries, and schools throughout the United States.

Tanglewood Marionettes' presentation of the "THE FAIRY CIRCUS" will begin with a brief demonstration of the art of puppetry. Through humorous interplay, the audience will learn about various forms of puppets, from the simple glove puppet to the sophisticated marionette.

Founded in 1993 by Anne Ware and Peter Schaefer, Tanglewood Marionettes is a national touring marionette theater based in New England. Their repertoire consists primarily of classic tales performed by skilled puppeteers who have spent many years perfecting their art. Children sit spellbound at their shows and want to know when the duo will come again. Middle school students and teens are amazed by Tanglewood's marionette magic on stage. Adults find themselves amazed and delighted by outstanding artistry and brilliant performances. An enchanting experience for all ages!

Tickets for both shows will be only $5, due to support in part by the Mass Cultural Council, Wakefield Chapter. Tickets may be purchased in advance by sending a self-addressed stamped envelop with a check to Linden Tree Coffeehouse, c/o Freeman, 8 Dexters Lane, Wakefield, MA 01880 by March 23. Indicate number of seats, performance time, and a phone number. After that date tickets will be sold at the door beginning 45 minutes before each show.

The Linden Tree Coffeehouse is located at the Unitarian-Universalist Church, 326 Main Street, Wakefield, MA. More information: www.wakefield.org/linden or by phone 781-246-4946.

Antique Show in Wakefield

The 29th Annual Antique Show will be held at the First Parish Congregational Church, Wakefield this Friday(5-9 pm) and Saturday (10-4 pm).

The committee is busy planning to make sure that all who attend will have a wonderful time. The church is located on the shore of Lake Quannapowitt off Route 128/95. Forty-five dealers, including many new dealers, will exhibit a wide variety of merchandise. Mr. Joseph Hakey, local photographer will feature his collection of photographs in addition to the many booths featuring vintage kitchenware, linens, china glassware, prints, paintings, collectible postcards, dolls, toys, books, Victorian jewelry and much more.

The Church will feature a booth this year with a large variety of affordable items generously donated by church members. The items include collectible Matchbox cars, a 50's dollhouse, a rock maple chest, Griswold ironware, a Redwing vase, and vintage dishes.

The committee will also be selling home cooked turkey dinners, turkey soup, sandwiches and home-made pies. All proceeds from this show benefit the Church and its many charitable outreach programs.

The dates for this show are: Friday evening 5 to 9 pm; Saturday, 10 am to 4 pm. Admission will be $5 or $4.50 with ad or this clipping and will be good for both days. Lots of free parking.

Reunions to S-4

About The Towns
by Phyllis Nissen

Merry Spring to life!

Life saving in Reading and Wilmington

"Donald G. Hicks, Jr., President of Reading Cooperative Bank has announced the establishment of the 'Reading Firefighters Thermal Imaging Fund' to raise funds for the purchase of a Thermal Imager," notes the "Wilmington Town Crier."

"It will be used by local firefighters to 'see' through smoke. Working jointly with Chief Donald Wood of the Reading Fire Department, who said, 'This imager will provide our firefighters with the ability to 'see' through blinding smoke and flames when searching a structure and enable us to save more lives,' both the chief and Mr. Hicks set a goal of $25,000. The apparatus will be utilized primarily by the town of Reading and may be loaned to our surrounding communities in an emergency situation.

"Anyone wishing to do so, can bring or mail a donation in any amount made payable to the 'Reading Firefighters' Thermal Imaging Fund' to either office of the Reading Cooperative Bank, located at 180 Haven Street, Reading or 352 Middlesex Avenue, Wilmington. 'We take pride in our bank's participation with this worthwhile community effort to assist our local firefighters who place their lives on the line for us each day,' Mr. Hicks said.

"Additionally, Mary Anastos of Carlson Real Estate, representing local realtors will assist with the fundraiser. Any local resident or business is invited to make a tax-deductible contribution to the fund as mentioned above by sending to the Reading Cooperative Bank. If you have any questions regarding this piece of equipment, direct your inquiries to either Chief Donald Wood or Assistant Chief Jack Mooney at 781-944-3132."

Life support in Burlington

"With little fanfare, surgeons at the Lahey Clinic have successfully performed what they believe to be New England's first 'domino' liver transplants," notes the Burlington edition of the "Daily Times Chronicle."

"In performing the surgeries, doctors removed the organ from a brain-dead patient and transplanted it into a 28-year-old woman, whose own, slightly abnormal liver was then transplanted into a 65-year-old man.

"The surgery was possible because Paula Pereira's liver functions normally, but discharges a substance that over time will kill her. That problem is unlikely to harm recipient John Clarke because doctors say it will take time for the substance to build up to a harmful level. They also say that given Clarke's age and precarious health, it might simply add years to his life.

"Doctors say 'domino' surgeries are unusual, although about 24 such transplants have been performed in Europe.

"In the U.S., the Hospital of the University of Pennsylvania and the University of Pittsburgh have both performed such surgeries. A physician at the University of Miami Medical School has performed five.

"The Lahey Clinic's first such transplants took place on New Year's Day when surgeons transferred the healthy liver to Pereira of Kenilworth, N.J...."

Life affirming in Wilmington

"'I received my first kidney donation in April of 1981,' said Thomas Giglio, notes the "Wilmington Town Crier."

"'It supported me for 19 years. I'm fifty three now.' His kidney transplant began shutting down in 1998 and he was put on the transplant waiting list. Late last year Thomas had to begin dialysis. His sister, Wilmington Animal Control Officer Ellen Davis, volunteered to donate one of her kidneys to help him live a normal life.

"More than 50,000 Americans die each year because of kidney disease, according to the National Kidney Foundation. Over 260,000 Americans suffer from chronic kidney failure and need an artificial kidney machine (dialysis) or kidney transplantation to stay alive. Of the 36,000 patients waiting for kidney transplants, only 11,000 will receive transplants this year due to a shortage of suitable organ donors.

"'Most people function well with only one kidney,' Ellen said. According to the Foundation, statistics for the year 1996 show that 1,814 people died awaiting a kidney donation. 'Losing a kidney doesn't bother me,' Ellen added. 'I know the surgery will be somewhat painful, but that won't last. The kidney will give my brother his life back. 'That's important to me.'

"Thomas has been a diabetic since he was sixteen years old. 'I had to have two insulin shots each day then,' he said. The leading cause of kidney disease is diabetes, according to the Foundation. It accounts for 35% of the new cases each year and 25% of all cases in the United States. High blood pressure is the second leading cause of chronic kidney failure, accounting for about 30% of the cases in the U.S.

"'The transplant isn't hard on me. I don't mind the surgery,' Thomas said. 'Dialysis is difficult, not because it is painful, but because of the amount of stress it places on my family. The rides three times each week to and from the hospital, the length of time on the machine, all create stress that a transplant would alleviate.' According to the Foundation, patients over 65 who need a transplant are last on the eligibility list and usually remain on dialysis for the remainder of their lives.

"'Dialysis is about 3.5 hours for each treatment. You go three times each week and usually the next day you feel so tired,' Thomas said. 'Even if the transplant only lasts four years, it's worth the surgery. Having a kidney means a normal life....'"

Part time pay

From S-1

Wehler said. "I am thinking of raising the pay scale."

As a sensible manager, Wehler said he is having discussions with his present help in an effort to determine what the issues are with people who do not want to work.

However, Wehler does not feel that the problem is just at Country Club Heights.

"It's everywhere," he said, "especially over the past 10 years in the food service industry."

That opinion is agreed with by Bobby Katsikis, owner of Stelio's Family Restaurant in Wilmington. The area tradition which has been in business for many years is also having difficulty keeping some of their part-time help.

"I have regular help that has been here from two years to 25 years," Katsikis said.

However, he admits to have a constant turnover of about four to five people.

"In the past three to four years it has been getting worse and worse," Katsikis said.

Starting pay at the family restaurant is $6 per-hour for busboys. Hostesses can make $7 per-hour and up and kitchen help earn between $8 and $12 per-hour depending on experience.

As is the norm in the restaurant industry, waitresses make only $2.60 per-hour. However, their pay is based on the amount of tips they can take home.

Katsikis said, "You have to make sure they (the waitresses) get good tips."

He added, "The economy is so good nobody wants to work."

He noted that in the past the restaurant would have no problem getting two or three kids to work weekends as busboys but that is no longer the case. In Wakefield, The Savings Bank is another constant advertiser in the Job Mart section.

As of the March 15/16 edition they were advertising for tellers and customer service representatives. Assistant Human Resources Director Mary Farrell said, "Tellers are our biggest turnover."

Workers at the Bank can start at $8 per-hour and up, depending on experience and there is plenty of room for advancement. Employees are reviewed for raises and promotions once a year, but any job listings are posted in-house first and employees have a chance to apply before the public does.

Farrell notes that the job market is tough on employers at this time.

"Trying to get qualified people is difficult," she said.

Farrell added, "There doesn't seem to be anybody out there looking for jobs."

Qualified applicants should be 18 years of age or older and must have a high school diploma.

For somebody trying to get employment in the early morning hours, perhaps the part time work offered by Moore and Parker is the place to go.

Manager Tom Wilkes said they were looking for a person to replace a driver that got sick. The job entails delivering newspapers to boxes and stores in the Woburn area.

According to Wilkes, the average pay is $12 to $15 per-hour, depending on the size of the route.

"Most of my drivers stay for a long time," Wilkes, who has been with the over 100 year old company for 38 years said.

However, he noted that when it comes time to hire a new driver, the search is difficult.

"The economy is tough and people can't get help," he said.

Some companies are able to keep their help, as does Moore and Parker, but, as in the case of Acura of Reading, expansion is causing them to seek more help.

Paul Wiswell, owner of the Reading based medical transport company, pays his drivers $9 per-hour to start, and they can go up to $10 per-hour after 60 days. He considers a part time person one who only works three days per-week.

Applicants must be over 21 and Wiswell said many of his drivers are retired people.

Longwood Place at Reading, is looking for a part-time van driver.

Activities Director Kim DiCenso said that applicants for the position, paying $8 per-hour to start, must be dependable, responsible and have a clean driving record.

"They must enjoy working with the elderly," DiCenso said.

Applicants need to be at least 21 years-old but there is no other age limit. However, they must be able to lift a person into the van if necessary.

She noted that the response has been very good for the position, but in general it is difficult to get good part-time help.

The Gables in Winchester is another assisted living facility that is seeking part-time help for a few hours per day as housekeepers. May Mullen, head housekeeper at the facility said that for the most part the girls who work there stay on for a long period of time and the positions that are open now are to fill in for housekeepers who are sick.

The pay is $8 per-hour to start and the work day is from 9 a.m. to about 2 p.m.

Yellow Cab in Woburn is another company that is constantly looking for help. Part-time drivers can make about $100 to $200 per-week plus tips, according to dispatcher/assistant manager Bill Pike.

Part-timers are those drivers that only work about three hours per-night and weekends. Pike noted that he loses about two to three drivers per-month, due to job stress or the inability of the driver to get along with the customers.

In all last week, their were over 55 part-time jobs listed in Job Mart and many more full time jobs. They range from sit down jobs that require no heavy lifting to labor work or those that require people skills.

Middlesex East Sports Athletes & Activities

BY PAUL FEELY

•**MIDDLESEX EAST SPORTS WEEKLY TRIVIA QUESTION**: Who was the last Washington Senator to lead his league in home runs? Answer appears elsewhere in this column.

•Three local athletes helped lead the Curry College ice hockey team this past season.

TEWKSBURY'S SHAUN DURKIN, a freshman defenseman, played in all 23 games a s a starter. He scored his season's only two goals in back-to-back games against Nichols and Stonehill.

READING'S TOM FOXON, a freshman forward, also played in all 23 games. He scored his only two goals of the season in wins against Framingham and Plymouth state colleges.

STONEHAM'S RYAN WOOD, a sophomore goaltender, played in 12 games, starting in 10. He had a 2-8-0 mark, with an .838 save percentage and a 7.12 goals against average. He allowed 79 goals and made a team-leading 408 saves.

•**WOBURN'S MIKE PARZIALE**, won the 135 pound title in the MIAA All-State Championships for wrestling.

•**WOBURN'S KRISTIN NATALE** won the state championship in the balance beam and placed fourth in an all-around competition to help the Tanners place fifth in the state championship.

•**WILMINGTON'S JOHN VASSALLO** is among the next group to be inducted into the Westfield State College Athletics Hall of Fame. Vassallo received honorable mention All-American status in 1979 after leading the soccer team with 19 goals and 11 assists. He is now ranked seventh on the all-time Westfield State scoring list with 28 assists and 46 goals.

•Need some clues to help out with the above-mentioned trivia question? The player's first name is Frank.

•**WOBURN'S KEITH RONAN**, a senior wing for the Wentworth College men's ice hockey team, had four goals in two games recently, scoring twice against Framingham State and twice again against Salve Regina.

•**ANSWER TO THIS WEEK'S TRIVIA QUESTION:** The player is Frank Howard, in 1970.

Reunions

From S-3

There will be a Burlington High School All School Reunion (1940-1961) on Saturday, October 28, at the Crowne Plaza Hotel in East Woburn. A committee is presently working to make the night a memorable one. The dinner ticket is $60 per person.

Former classmates of the old Burlington High School are asked to call either Jim Rodgers (272-0006), Dick Howard (273-1737) or Sheila Howard (272-1168) for information.

3//22, 3/29 & 4/5

Middlesex East Publications will publish local "Reunion Notices" on a regular basis. Send information including School name, Date of Reunion, Reunion Location, and name and phone number of contact person to:

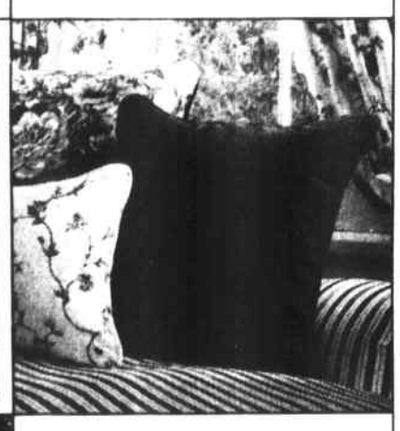

Middlesex East, P.O. Box 240, Reading, 01867

(Notices will run three times and will be restricted to groups and schools located north of Boston along the Routes 93 and 128 corridor.)

BEEP BASEBALL VOLUNTEERS WANTED!

The Lowell Association for the Blind beep baseball team, "The LAB Retrievers" is looking for sighted volunteers who can help the team for the 2000 season. Volunteers are needed as field manager, pitcher, catcher, fielding spotters, umpires, and for sighted guide. The team members also need volunteers who could drive them to and from games and practice.

The LAB Retrievers will be practicing twice a week at outside fields beginning in May through the end of September. There will be games scheduled with teams from local groups, clubs and agencies, and volunteers will also help in the annual Charity Beep Baseball game in September played at LeLachuer field in Lowell.

Volunteers helping with the LAB Retrievers will be given the Rules & Regulations from the National Beep Baseball Association, and will learn the game from the team members.

Anyone interested in being a volunteer with the LAB Retrievers beep baseball team should call the LAB office at 978-454-5704 or write to LAB at 174 Central Street, Lowell, MA 01852.

ANTHONY MANCONI

Aldo Catalucci installed a carpet in the bathroom of Jimmy Fanikos' summer home in New Hampshire. Jimmy told me that next summer he is going to have Aldo install carpet all the way to the house.

Lezar Feregamo is a firm believer in the theory of "Positive Thinking". He believes in, "as you wander down the road of life, what ever be your GOAL, keep your eyes upon the donut and NOT upon the HOLE."

Bob Butler and George Guyette love "Ice Fishing". They each take a small saw, a small wooden mallet, a stool and a bag of peas. Each of them cut a hole, then put peas all around the rims then sit on their stools and wait. When Bob Butler noticed a fish come up for a pea "WHAM" he hit it over the head with the mallet. Bob repeated that five more times while George didn't have any luck all.

My friend Fire Chief Dan Doherty was on vacation in New Hampshire last summer. The alarm went off for a barn fire, an ancient fire truck with "call Firefighters" responded. It drove right up and through the blazing fire and stopped. The fire was put-out in no time at all. Chief Dan Doherty told the New Hampshire Chief, "Here's $100. get the BRAKES fixed on that clunker so that it can "STOP" when it gets to the scene of a fire."

Folks if you are new readers of Woodchips, let me TRY to explain what this column is all about, its format is based on the premise that, "LAUGHTER is the, Shock Absorber of the Ruts, Potholes and Detours of the road of life."

Kathy was worried about getting gray - she turned BLONDE overnight.

The large readable print on a contract is what you get. The small microscopic words are what you will pay for.

Sam Goldwyn said, "An Oral Contract isn't worth the paper it's written on."

I fell in love with a Dimple and made the mistake of marrying the Whole Girl.

Teacher Maria Cole asked Dennis Tully, "what do we have today that is "very Important" that we didn't have 50 years ago?" Dennis almost shouted, "ME, Miss Cole!"

Sir William Gladstone, Prime Minister of England was persistent in demanding that Queen Victoria pass a measure that would help the poor people of England. She exclaimed, "you forget who I am, I am the Queen of England!" Sir Gladstone replied, "your majesty, you forget who I am, I am the PEOPLE of England."

It would be wonderful for our elected officials not to, forget "We the people who elected them."

When my nephew Dennis Tully found a wallet belonging to Uncle John Shea, he changed the ten dollar bill that was in it for ten one dollar bills. (that was to make sure that he would receive at least one dollar reward). Uncle John thanked the young man and said, "Here's the dollar you are looking for. I would have given you the ten dollar bill that was in the wallet. If you ever find anything in the future, return it as you find it.

John MacCurtin told Hilda the new maid, "be extra careful dusting the dining room furniture, it goes back to Louis the Fourteenth. "I know what you mean sir, "Hilda replied, "If I don't make payment by Saturday, my furniture goes back to Sears the fifteenth!"

Some children are fresh today because they are given too many B-I and B-2 Vitamins and not enough, "B-Quiet!

An Atheist's Epitaph, "all dressed up and NO place to go."

Paul Simon got on a bus in New Hampshire and asked the driver, "Sir, does this bus stop at the river?" "Wal if it doesn't," the driver said, "there's going to be one heck of a splash!"

I must have heard this a thousand times, "Do you think the rain will hurt the "RHUBARB?" The answer always was, "not if it's in a can." I'll bet some people don't even know, what the heck rhubarb is today.

I went shopping with Kathy and I said to a woman. "Good Morning, how are you today?" "I'm fine," she replied, but why do you ask, I don't know you?" I took a closer look and said, "I'm sorry Ma'am, you look like Helen Green. (folks she had a wonderful sense of humor for she said), "I know, I look like Hell-en Brown too!"

Winter Hill offers free homebuyer's seminar

A HomeBuyer's Seminar with a difference, sponsored by Winter Hill Federal Savings Bank, will be held Wednesday, April 5th at the Hillview Country Club in North Reading, from 6:30 to 9 pm. This seminar is free, and will provide valuable information for people contemplating the purchase of their first home, as well as those who are buying for the second, even the third time.

According to Pauline D'Aurora, Senior Vice President/Chief Lending Officer, of Winter Hill Federal Savings Bank, "Over the years, the real estate and mortgage markets have experienced dramatic changes. We have focused this seminar on those changes and what any homebuyer can expect in today's real world. We'll discuss all the information they need to help make the best decisions though the entire home buying process. Our panel includes some of the most respected and knowledgeable professionals in this area."

According to Mrs. D'Aurora, "We pride ourselves in being a bank dedicated to serving our community with services that are meaningful and provide real value. This free seminar offers exactly that."

Reservations are required, so anyone interested in attending should call Ana DeMatos at Winter Hill Federal Savings Bank, at 1-800-444-4300, extension 263.

Jan Fratus receives "Executive Club" Award

Jan Fratus, CRS, GRI received the "Executive Club" award for excellence in sales at the RE/MAX of NEw England Awards Gala held at the Copley Place Marriott Hotel in Boston on February 5.

The RE/MAX Executive Club honors RE/MAX of New England sales associates who have outstanding sales performance. There are 394 individuals who have achieved this level out of 1,883 agents in New England.

Jan Fratus of Reading RE/MAX Top Achievers is a resident of North Andover and has been with RE/MAX of New England for almost seven years and has been a Realtor for 16 years.

"We are proud to claim Jan Fratus as a member of our team at RE/MAX of New England. The success of our organization is a direct result of the contributions and commitment she has made to the real estate industry and to RE/MAX" said William Soteroff, Executive Vice-President and

Jan Fratus

Regional Director, RE/MAX of New England.

Jan is a member of the Eastern Middlesex Association of Realtors, Massachusetts Association of Realtors, National Association of Realtors, Baystate Multiple Listing Service, Woburn Middlesex Lions Association, American Cancer Society (volunteer driver), Angel Flight - Earth Angel (volunteer driver), BNI - Business Network International.

RE/MAX of New England includes 182 real estate offices and 1,883 sales associates. RE/MAX franchise network is a global system of 3,400 independently owned and operated offices in 32 counties engaging 57,000 member sales associates who lead the industry in professional designations, experience and production while providing real estate services in residential, commercial, referral, relocation and asset management.

RE/MAX Top Achievers, Inc. is located at 100 Main St., Reading. For complimentary brochures and information on how to buy or sell your next home, please call Jan Fratus, RE/MAX Top Achievers, Inc. at 781-944-6060 x227.

Realtor Institute course in Danvers

The Massachusetts Association of Realtors (MAR) and the North Shore Association of Realtors will co-sponsor Course 202 of the Realtor Institute (GRI) program on April 4 & 5 from 8 am to 5:30 pm at the King's Grant in Danvers.

The two-day course, which is open only to association members, consists of 15 hours of classroom instruction on several industry topics, including architecture, construction, condominiums and corporate relocation. The comprehensive course curriculum is designed primarily for Realtors licensed for less than five years, however recent revisions to the course content make the program ideal for experienced real estate professionals who wish to learn more about current issues and trends as well.

The GRI 202 course is one of six modules, which comprise the 90-hour Realtor Institute program. Students may register for courses in any sequence, however individuals must complete the six module program and pass each course exam within a five year time frame in order to earn the nationally-recognized Graduate, Realtors Institute (GRI) designation.

Tuition for the GRI 202 program is $190 if registered by March 28 and $210 after that date. For a course application or to register by American Express, VISA or MasterCard, contact the MAR Education Department toll free at 800-725-6272.

REALTOR NAMES IN THE NEWS

Marsha Weiss named to Executive Club

Local Realtor Marsha Weiss of Re/Max Top Achievers, Inc. in Reading recently received the 1999 Re/Max Executive Club Award for outstanding Achievement.

Marsha received her award for exceptional Sales Performance at Re/Max of New England Awards Gala held at the Copley Place Marriott Hotel on February 5, 2000.

"We are proud to claim Marsha as a member of our team at RE/MAX of New England. The success of our organization is a direct result of the contributions and commitment she has made to the real estate industry and to

RE/MAX. Marsha has clearly demonstrated professional skills that make her among the most successful agents in the real estate industry today," said William Soteroff, Executive Vice-President and Regional Director, RE/MAX of New England. Her Sales performance is indicative of her dedication and commitment to her clients and her profession.

A frequent recipient of awards, Marsha is a graduate of the Realtor Institute (GRI) and holds the coveted Certified Residential Specialist designation. Marsha and her husband Marty, are long-time residents of North Reading and currently reside at the Greens. She has been a full time realtor since 1989 servicing North Reading and Reading along with surrounding communities.

Marsha is located at Re/Max Top Achievers in Reading, 781-944-6060 or at her home 978-664-5301. For complimentary brochures and information on how to buy or sell your next home, please call Marsha Weiss.

WILMINGTON REALTOR EARNS AWARD

Maureen A. Foresteire, a Wilmington Realtor has earned the prestigious Leadership Training Graduate (LTG) designation from the Women's Council of Realtors (WCR). LTG, the only leadership designation offered in the Realtor community, is earned by candidates who successfully demonstrate excellence in career leadership.

WCR members who receive the LTG designation have successfully completed WCR's LTG courses and fulfilled specific volunteer, career and education requirements. The combination of education and experience cultivates distinctive, well-rounded real estate leaders.

The Women's Council of Realtors, an affiliate of The National Association of Realtors, is a professional organization with more than 13,000 members nationwide. WCR provides its members with an extensive referral network and programs for personal and career growth, as well as opportunities for increased productivity, financial security and leadership development.

For more information about the council or the LTG program, please call 800-245-8512 or visit WCR's website www.wcr.org.

Phil Stackpole of Carlson GMAC Real Estate's Reading Office was honored recently at the annual Carlson Awards Brunch with membership in the Carlson Medallion Summit Club. The Summit Club was established to recognize consistent Top Producing agents who have achieved total annual sales volume up to $5 million.

Phil's 35+ year career in sales, his thorough knowledge of local marketplace and his wide referral base enhance Phil's ability to provide superior service to all of his clients and customers.

Phil, a long standing Winchester resident, adds a wonderful dimension to the Reading Office enabling Carlson to provide extensive area real estate expertise.

Phil's professional affiliations include the National Association of Realtors, the Massachusetts Association of Realtors, the Greater Boston Real Estate Board, and the state-wide multiple listing service, MLS-PIN.

Phil can be reached at (781) 942-1500 or directly at (781) 942-6262.
